Team:

Photo and Video Release

Occasionally, the team parents photograph children while they are playing. We may wish to use these photographs in our newsletters, website and/or for advertisement. We may also wish to use some photographs in our fliers, newspaper ads and/or the PYFC social media pages. Additionally, we may, on occasion, wish to videotape our games to be shown to other parents, coaches and/or players, or to be distributed to families. Please complete this form with this in mind and return to the team parent ASAP. Thank you!

Photographs
